Dear **Manager**,

I am writing to express my interest in the [Position Title] position advertised by [Company/Organization Name]. With a ND of Mechatronics Science and Technology from the Yabatech and a Bachelor of Mechatronics from Lagos State University of Science and Technology, along with extensive experience in various tech and design mediums, I am excited about the opportunity to contribute to your team.

Throughout my career, I have participated in numerous exhibitions, both solo and group shows, where I have been able to showcase my creativity and versatility as tech and producer. These experiences have not only honed my technical skills but have also taught me the importance of effective communication and collaboration in the process.

I am particularly drawn to [Company/Organization Name] because of its commitment to [mention any specific initiatives, values, or projects of the company/organization that resonate with you]. I am eager to bring my skills and experiences to your team and contribute to the continued success of your organization.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passion for tech and producer align with the needs of [Company/Organization Name]. Please find my resume attached for your review.

Warm regards,

Dear Manager
